

NEMESIA ACADEMY

NEWS LETTER

ISSUE 07 – January 2026

MESSAGE

Dear Students,

As we step into the month of February, we welcome a time of renewed focus and commitment. This month encourages our students to strengthen their learning habits and strive for improvement. Let us continue to work with dedication, discipline, and a positive mindset. May February be filled with progress, confidence, and meaningful achievements. Wishing our entire school community a productive and successful month ahead.

Highlights of the Month of January

The Oxford Advantage Masterminds

The Oxford Advantage Masterminds 2025–26 essay competition was successfully conducted today in the school premises for all Oxford Advantage students. The competition provided a wonderful platform for students to express their ideas, creativity, and understanding of the given topics. Students participated with great enthusiasm and confidence, making the event engaging and meaningful. The activity added joy to the learning process and encouraged students to think creatively while showcasing their talents.

Makara Sankranti Celebration

Makara Sankranti was celebrated with great joy and enthusiasm in our school on 14th January. A big and beautiful Rangoli was created with vibrant colours, showcasing the spirit and traditions of Sankranti. The decorations added a festive charm to the school campus. The Sankranti ceremony was conducted in a traditional manner, highlighting the cultural significance of the festival.

The day began with a special morning assembly and prayers. After the assembly, students participated in cultural programmes organised house-wise. The four houses were given half an hour each to present their performances, which included songs, dances, and other cultural activities related to the festival. The students actively took part and displayed their talents with great enthusiasm.

As part of the celebration, Sankranti sweets were served to everyone, adding sweetness to the occasion. The celebration helped students understand the importance of Indian festivals and promoted unity, culture, and joy among all.

Inter-School Skating Competition

The Inter-School Skating Competition was held on January 29 with enthusiastic participation from many schools. Our students performed exceptionally well and displayed great speed, balance, and sportsmanship. Several participants from our school won prizes in different categories, bringing pride to the institution. The event was exciting and motivating for all young skaters.
