Highlights of the Month of February and March

Fruit Day @ Nemesia Academy

A wonderful and vibrant day began with a melodious prayer song and prayer offered by our Pre-KG children, filling the atmosphere with positivity and gratitude. This was followed by a lively skit and action song on fruits, presented enthusiastically by the little ones. Our respected Principal, Sr. Selin Jose, addressed the gathering and spoke about the importance of fruits for healthy living, encouraging children to develop nutritious eating habits from a young age. The highlight of the day was the colorful ramp walk, where children confidently showcased their creative fruit costumes. They delighted everyone with their charming presentations, sharing a few lines about the fruit they were dressed as. The joyful fruit salad session and cheerful photo session added sweetness to the celebration. The day was truly a beautiful culmination of learning and enjoyment — a perfect blend of fun, confidence, and healthy awareness.

Vocabulary Competition

On 24th February, a Vocabulary Competition was conducted in the school for students from Grade 1 to Grade 9. Students were given vocabulary from different subjects and were encouraged to showcase their memory and language skills. The competition helped students improve their word power and confidence. Winners were appreciated and awarded prizes during the school assembly.

🎓 ✨ Graduation Ceremony 🎓 ✨

On 7th March, our school celebrated the **UKG Graduation Day** with great joy and enthusiasm, marking a memorable milestone for our young learners. The occasion was graced by the esteemed chief guest, **Dr. Tessa Thomas**, popularly known as the *Missile Woman of India*. The function was held in the presence of **Sr. Mary Abraham**, Councilor of the South East Province, **Sr. Jaba Mary**, Manager of the School, **Sr. Celine**, Principal, and **Sr. Theresa**, Vice Principal.

The UKG students presented a variety of delightful cultural programs that showcased their talents and confidence. Parents were also invited to witness this special moment, and a few parents shared their heartfelt experiences about their children's learning journey. The dedicated efforts of the **teaching and non-teaching staff** made the event a grand success, leaving joyful memories for everyone present. 🎓 ✨

Thank you, dear parents, for being with us throughout the 2025–2026 academic year and for your constant support and cooperation. Your encouragement and partnership have greatly contributed to the growth of our students. We look forward to continuing this wonderful journey together in the coming years. Wishing all our dear students a joyful and refreshing vacation! 🌟 📖 🌱
